

# GATOR XUV855M S4

## ROOM FOR FOUR PLUS PLENTY MORE

Need room for more? When you're expecting company or your job demands added manpower, the XUV855M S4 is the way to go. It seats four people comfortably with enough space for all your tools and equipment. Even when fully loaded, its power and acceleration will be sure to impress.

### A RIDE TO REMEMBER

The XUV855M S4 is powered by an 854 cc (0.854 L), three-cylinder, liquid-cooled, four-cycle diesel engine that delivers superb starting, idling and throttle response during operation. Minimal noise vibration and harshness (NVH) along with hydraulic disc brakes and power steering allow you to operate this surprisingly nimble four-seater smoothly.

### CONVERTIBLE REAR BENCH

The rear bench folds down in seconds when you need to carry long items or store your things.

## PLENTY OF SPACE FOR FOUR

Four seats. True, on demand 4-wheel drive and fully independent suspension for a smooth, comfortable ride.

## XUV855M S4

Diesel Engine
Displacement: 854 cc
Speed: 51 km/h
4-Wheel Drive
Fully Independent Suspension
Power Steering: Standard
Towing Capacity: 680 kg
Cargo Capacity: 454 kg

– Road Homologation\*

\* Homologation type may vary by country.  
Please refer to your dealer.

## FULL-SIZE CARGO BOX

Even though the S4 version seats four, it has the same size cargo box as the XUV855M two-seater. The box consists of a noise-reducing, 15% glass-filled polypropylene composite material that eliminates rust and dents and can easily be converted into a flat bed. This configuration is ideal for loading larger cargo.
