

STAINES BT32

TRI AXLE BALE TRAILER

Our tri axle bale trailers are built on a heavy duty chassis and sturdy drawbars to give you the perfect towing flat bed trailer.

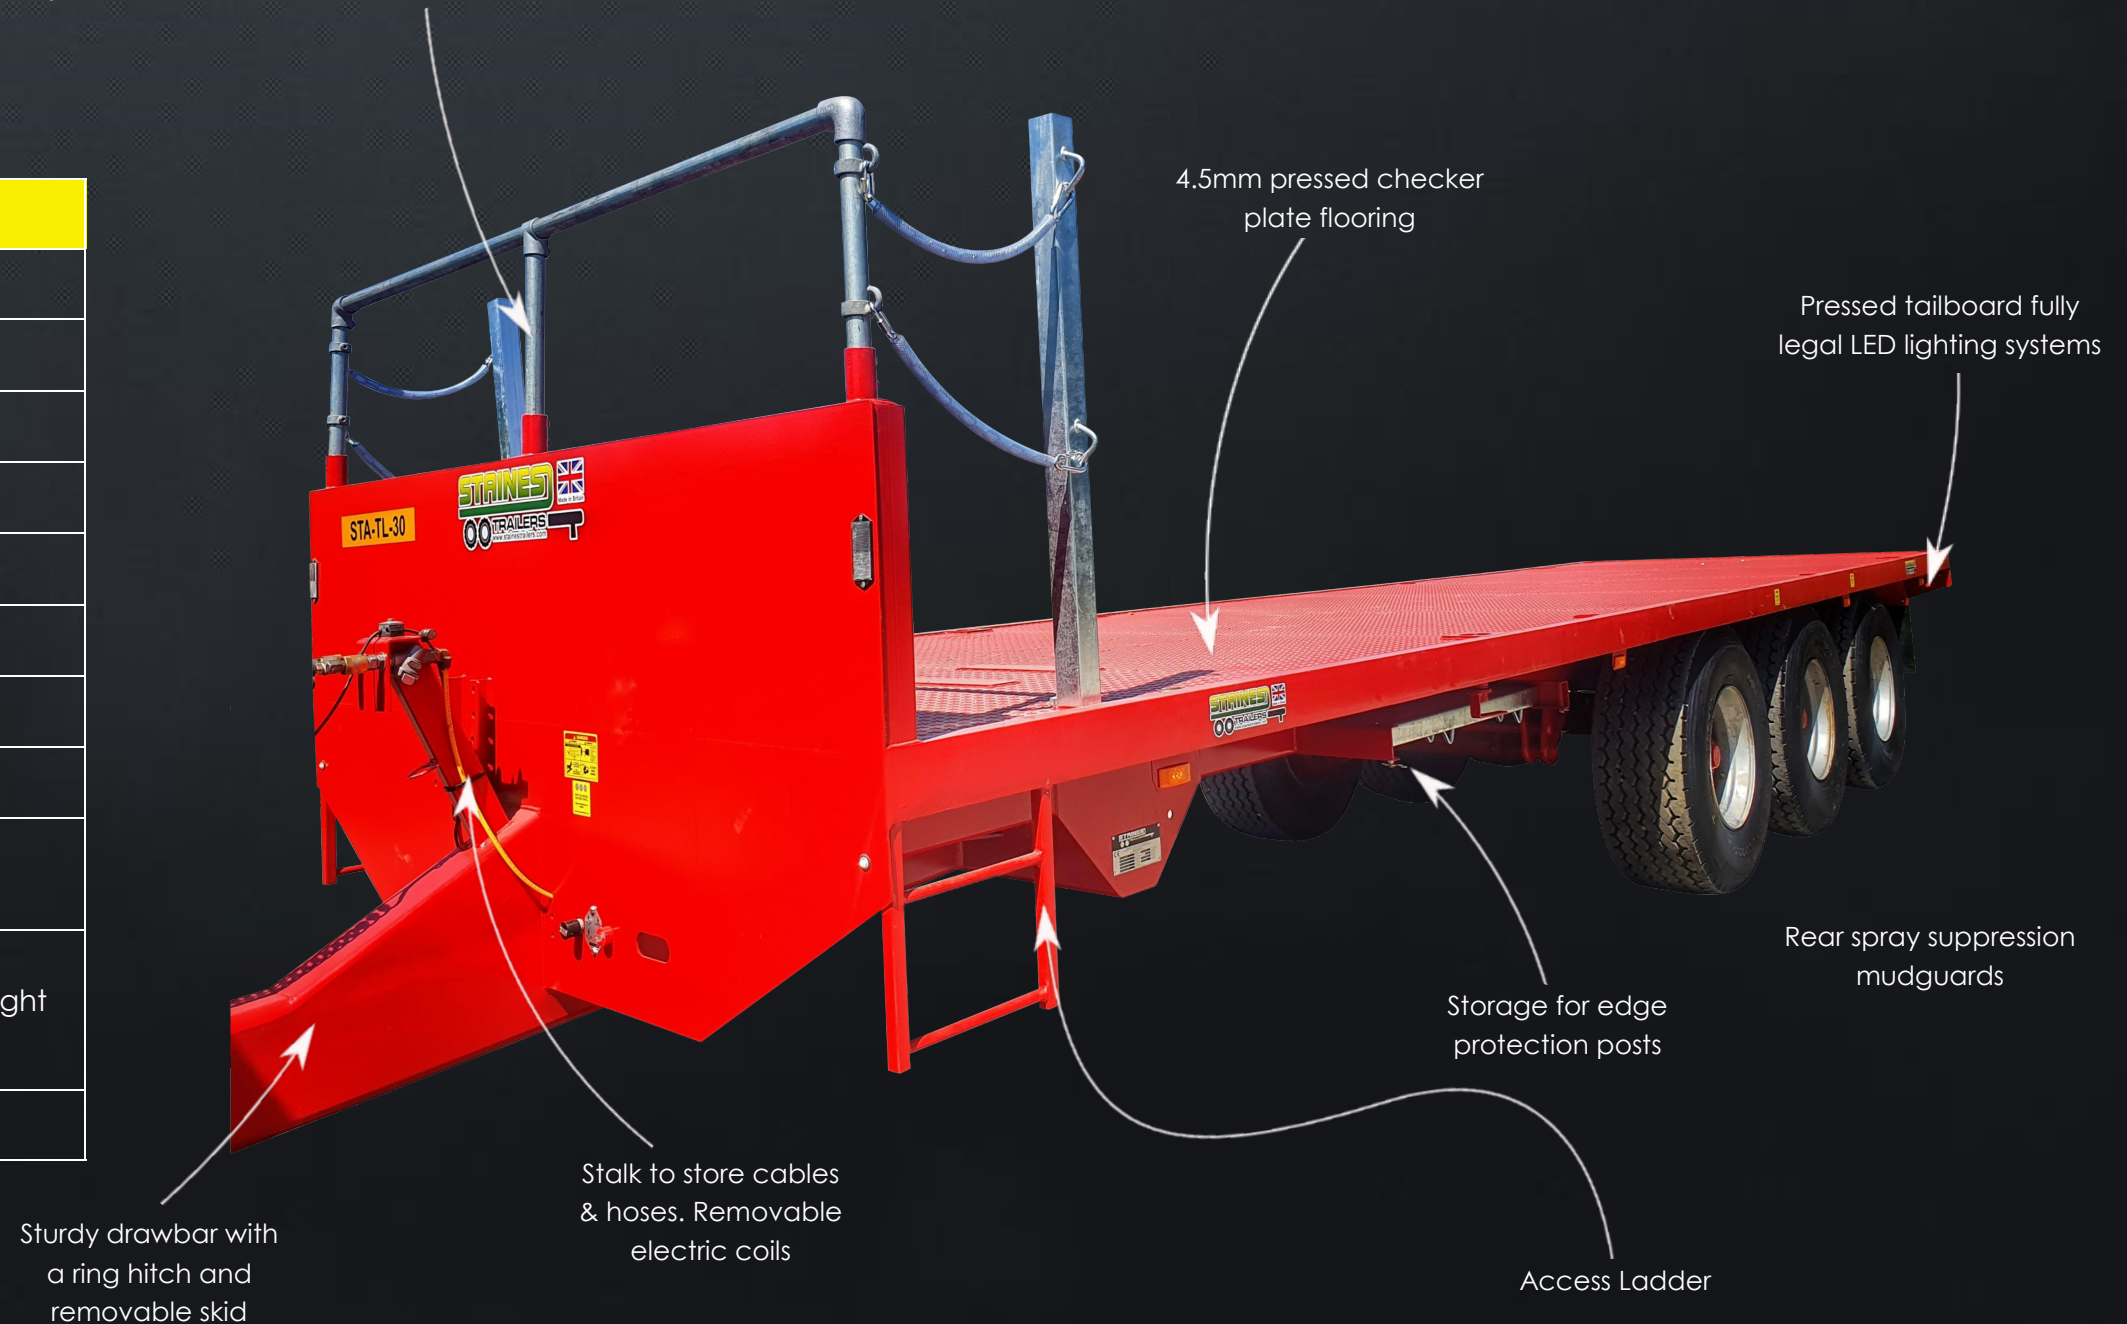

This versatile trailer is great for transporting a variety of things from Bales, pallets, bags etc as well as other work equipment within construction.

Our Site spec upgrade incorporates an edge protection system to allow safe operator access onto the trailer. This modular handrail system with its drop in posts to allow removal for forklift side access.

Available in a variety of sizes to meet your individual needs.
